

Guidelines for Retailers

Instant Game Information

The "Instant Game & UPC Code Info" tab provides a list of the Lottery Corporation's (LC) instant ticket games, along with the following information for our retail partners:

- **Total Number of Available Games** (to order)
- **Instant Game Number** (In **bold red** if changed)
- **Instant Game Name** (*Denotes a Core game)
- **Price Point Per Ticket**
- **Tickets Per Pack**
- **Ticket Size**
- **Pack Cost**
- **Top Prize**
- **Launch Date**
- **Game End Date**
- **Last Date to Redeem**
- **Order Status**
- **UPC Code** (In **bold red** if changed)
- **Prior Week Sales Ranking**

Instant Game Status Dates:

Every instant game has three key dates defining its status:

- **Launch Date:** The date a game becomes available for sale and can be ordered from MLC Inside Sales.
- **Game End Date** (Last Day to Sell/Purchase): This is the final date a game can be sold to customers. It is also the last day retailers can return unsold packs of this game for a refund. After this date, the game can no longer be sold, but winning tickets under \$600 can still be validated through the lottery terminal and redeemed at the retail location. **You can remove the game from your active product list in your price book after this date.**
- **Last Date to Redeem** (Last Day to Validate through Lottery Terminal): This is the final date that winning tickets for a game can be validated through the lottery terminal and redeemed at the retail location (if under \$600). **After this date, the game is no longer redeemable, and you can remove all associated data from your price books.**

Order Status Definitions:

The following categories define the orderability of an instant game for our Inside Sales Team:

- **AVAILABLE:** The game can be ordered from the MLC and sold at store level.
- **NEW GAME:** The game is scheduled to be **AVAILABLE** to order on the first Tuesday of the month, subject to change due to holiday.
- **COMING SOON:** The game has been scheduled for **LAUNCH DATE**.
- **REORDER UNAVAILABLE:** The game is no longer available for reorder but can still be sold.
- **GAME PICK-UP (GPU):** A MLC Sales Representative is in the process of actively collecting and returning all full and partial packs of the game; it remains saleable unless otherwise specified.
- **ENDING:** The same as a GPU game, but this game has a specified timeframe to end all sales and validations. The last date to sell is the **GAME END DATE**, and the last date to validate is the **LAST DATE TO REDEEM**.
- **ENDED:** The game has passed its **LAST DATE TO REDEEM**. Retailers cannot sell or return it, and it is no longer eligible for validation.

Retailer Commission and Pack Costs:

Retailers earn a 6% commission on each activated instant game pack.

- **\$300 Packs:** Yield \$18 in commission, with a wholesale cost of \$282.
- **\$20+ Instant Games (Typically \$600 Packs):** Yield \$36 in commission, with a wholesale cost of \$564.

Important Information:

- Information displayed in **bold RED font** indicates changes requiring updates to your price books.
- Instant games highlighted in **GREEN** denote a \$600 pack cost.
